Asheville: Custom 21st Century Southern Bed & Breakfast Estate Property turns One!

The first question guests have asked over the last year is “How long did this take you?” My answer, “It took 1 year to build and 25 years to plan it!”

Creating a perfect retreat for a 21st century traveler was our goal in building the Bed & Breakfast on Tiffany Hill from the ground up in 2009. Now, as we approach our 1st year anniversary on June 5th our guests have told us we hit the mark.

Distinctively different than the historic B&B's, Tiffany Hill has all the amenities and technologies this century has to offer. Starting with keyless entry, WiFi internet access, and flat screen DVD players, this newly constructed facility was designed with the traveling guest in mind. An elegant grand foyer showcases twin staircases which lead to two wings which feature private bedroom suites with energy efficient Rinnai hot-water-on-demand private bathrooms, soundproofing between walls and floors and piped in music. There is also a 5th suite downstairs. We offer all the amenities of a five-star hotel coupled with the charm of a country bed & breakfast.

Situated on 6 acres in a pastoral setting, Tiffany Hill is located 10 minutes from the Asheville Regional Airport, 15 minutes from the quaint towns of Hendersonville or Brevard and 25 minutes to the Biltmore Estate. So convenient to all that Western NC has to offer. Guests who have found Tiffany Hill have returned up to 6 times in the short 11 months we have been open!

Casual Elegance filled with Southern Hospitality is what we strive for at Tiffany Hill. Come, do as much or as little as you like!
